

WELCOME LEKKERBEK!

[kitchen is open from 5:00 till 8:30 p.m.]

Let us take you along the scope of good taste. We recommend ordering a minimum of two dishes per person, which will then be served by us in two [or more] courses.

Do you not do modesty, like the snoeshaan? Then keep the dishes to yourself. Or, like the lekkerbek, do you prefer to share the dishes with your company? Then place them in the center of the table for sharing.
